

THE VIRTUA MEMORIAL
Golf Classic

supported by the Philadelphia Flyers

WEDNESDAY, JUNE 22ND

Little Mill Country Club
Marlton, NJ

For the past 37 years, members of the Virtua Memorial community have worked together to present one of the area's most notable golf outings. While the location of the outing will still be Little Mill Country Club in Marlton, returning golfers will see a few changes we hope will make the day even more enjoyable than in the past. We will start the day with a buffet brunch beginning at 9:30 a.m. followed by an 11:30 a.m. shotgun start. In an effort to keep play moving and to ensure participants have a good time, we are limiting the number of golfers to 188 so please sign up early to guarantee your place in the event. The day will conclude with an extended cocktail reception where we will make a few award presentations, as well as conduct a live and silent auction.

at this year's event will help purchase a new van
to transport patients in need to their cancer treatments.

Your generosity will also help purchase state-of-the-art radiation
physics equipment, including the Profiler 2, which measures radiation beam
constancy faster and with more accuracy due to the increased number of radiation
sensors. In addition to the upgraded hardware, an updated vital signs monitor will also
be purchased, improving clinical workflow and decreasing time to enter a patient's information
in an electronic medical record. Ultimately, your support will result in an increase
in radiation physics and nursing efficiency, as well as, patient satisfaction.
